All Conference attendees must register on-line

Call for Papers

EUROFILLERS

&

POLYMER BLENDS

23 - 27 April 2017

Hersonissos, Heraklion Crete,
Greece

Under the Auspices of

EUROFILLERS & POLYMER BLENDS CONFERENCE

Topics

The Conference aims to bring together researchers from academia, research organizations and industry in the very important area of filled systems and polymer mixtures.

The Technical Programme will feature plenary/keynote lectures, invited talks, and oral and poster presentations. It will cover all major relevant topics of current interest in the following areas:

- Polymer Blends
- Interfaces and Interphases
- Polymer Composites and Nanocomposites
- Nanostructured Polymers
- Functional Materials
- Bio-based Polymers and Biocomposites
- Modern Applications of Polymers

We are looking forward to welcoming polymer scientists from all over the World to participate in the conference.

Paper Submission

Conference participants are invited to submit one or more abstracts related to one of the Conference topics.

One-page abstracts should be prepared in English according to specific instructions (template) provided by the Organizers and submitted electronically to the conference Secretariat in DOC or DOCX format.

All submissions will be evaluated by the members of the Scientific Committee and the contributors will be notified for acceptance of their paper for oral or poster presentation.

Important Deadlines

Abstract Submission: 16-12-2016

Notification of Acceptance: 03-02-2017

Language

English will be the official language of the Conference
